MAIL BID AUCTION SALE

CLOSING DATE
June 30th, 1952

CONDITIONS OF SALE

All material listed will be sold to the highest bidder without reserve. Only mail bids accepted.

In case of duplicate bids, the first one received will have preference.

Bidding is for the lot and not by the piece.

All material is guaranteed genuine and as described. However, any claims of error must be made within three days of receipt of purchases. No exceptions.

The terms of the Sale are strictly cash. Where material is sent on open account, payment is to be made immediately. Bidders who have not established credit must make deposit of approximately 25% of their bids.

To assist bidders, we have indicated present market values of each Lot. This is merely an estimate and no guarantee that this amount will be successful. Higher or lower prices may prevail. Neither is this valuation in any way a reserve as every Lot will be sold without reserve to the highest bidder.

We will appreciate your comments and criticisms on this, our first monthly COINS AND CHATTER Mail Auction Sale.
